

# AOF SERIES

LA PADANA  
AIR COMPRESSORS

Model  
**AOFT 15-110**  
2-15 HP/1,5-11 KW

## CARATTERISTICHE

Pistone in resina, lunga vita  
Può resistere continuamente alle alte temperature  
Non è necessario l'anello da pilota  
Progettato per un funzionamento senza problemi

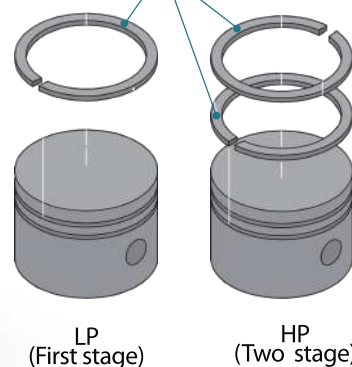

Resine Piston  
Can withstand continuous at high temperatures  
No needing of a rider ring  
Designed for a trouble-free operation  
Long life

## FEATURES

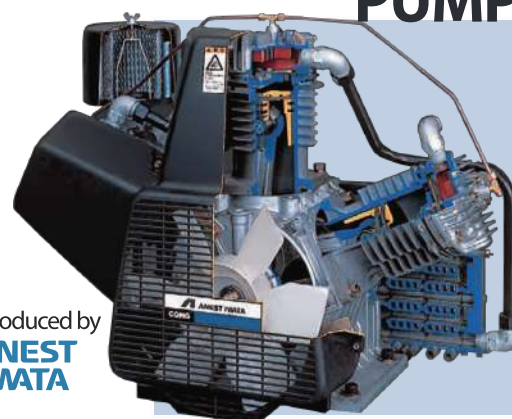

Composit resin piston

Pressure ring

## OIL-FREE PUMP

Piston pump produced by

**ANEST  
IWATA**

QUALITY MADE IN ITALY
