

Model
PS 1 - 24
1-2 HP/0,75-1,5KW

CARATTERISTICHE

Basso Livello Sonoro
Facile Manutenzione
Design Compatto

Low Sound Level
Easy Maintenance
Compact Design

FEATURES

Gruppo pompanti oil free per usi gravosi ad alte prestazioni

High performance heavy-duty oil-free pumping unit

Design compatto e portatile
Compact and portable design

Facile da usare grazie ai semplici comandi

Easy to use thanks to it's simple commands

QUALITY MADE IN ITALY

Sistema antivibranti
Antivibration system

PS 1D

PS 24
